PREFACE

This is the seventh edition of the List of Judges of the Magistrate's Court and is published as a service to the men and women of South Carolina who serve as judges in what has been called the people's court.

In an effort to make the Guide for Magistrates more useful to various phases of the judiciary and law enforcement, this year's edition of the Guide for Magistrates has been revised to include county codes and judge codes. Each county has a code located to the right of the county heading; the judge code is found in the left margin adjacent to each judge entry; all counties are listed alphabetically; and each magistrate is listed alphabetically within their respective county. Every effort has been made to make sure that the information in the publication is accurate and current.

My personal thanks to the Chief Judge in each county who collected the information, a special thanks to Court Administration for their suggestions and recommendations for this year's Guide, and to Mrs. Elizabeth McDermott who put it all in final form.
